➤ why the name change?

The **WCVM Veterinary Medical Centre (VMC)** better reflects our facility's multiple roles. We're a centre of excellence for veterinary education and research through the primary and specialized clinical services that we offer to all western Canadians.

➤ open house activities

- Learn about our clinical services.
- Meet students, faculty and staff.
- Tour the veterinary medical centre.
- Watch demonstrations of veterinary techniques and new technologies.
- Join us for a piece of cake!

➤ location

- Please use the Small Animal Clinic main entrance on Veterinary Road, U of S.

➤ parking

- Free parking in VMC client parking lot (watch for signs). Please do not park in front of the Small Animal Clinic.
- Public pay lots under Agriculture building or by College of Education.
