# Prairieland Park

## February 17 - 19, 2012

Presented by  
**Saskatoon Prairieland Park Corporation**  
in partnership with

EQUINE HEALTH  
western college of veterinary medicine  
RESEARCH FUND

**Saskatchewan  
Horse Federation**

## THE OBJECTIVE

- To present equine related lectures, presentations, entertainment, and opportunities focusing on the Equine Industry in Saskatchewan.
- To encourage involvement from equine enthusiasts and the general public.
- To create an annual conference setting for the purpose of addressing pertinent issues affecting the horse industry in Saskatchewan.

## THE NEED

Within the Saskatchewan horse industry a need exists for a quality event that will showcase the newest technological advances, the latest developments in equine health, and a demonstration of horsemanship excellence that is equally entertaining and educational.

Saskatchewan Equine Expo will celebrate the diversity of the equine industry with live demonstrations, breeds on display, and events featuring outstanding Saskatchewan horsemen and women.

## THE AUDIENCE

Whether participants are amateurs or professionals, long-time horse owners or someone wanting to purchase their first horse, they will experience the newest products, best techniques and latest technology. The event will also attract trainers, coaches, veterinarians, and people that support the equine industry with a wide range of products and services.

## THE EXPERTISE

Saskatoon Prairieland Park is working with a volunteer committee consisting of members of the Saskatchewan Horse Federation, the Western College of Veterinary Medicine, and various equine breed groups to facilitate this three day equine event. The group will address the needs of horse owners and horse lovers by engaging industry experts, respected clinicians, and renowned presenters.

## THE EXPO

The three day equine expo in February 2012 will offer:

- WCVN Educational Sessions
- Hands-on Clinics
- Demonstrations
- Industry Trade Show
- Association Meetings
- The opportunity to network with fellow horse enthusiasts

## EVENTS:

- Trainer Challenge – 3 professional horse trainers - Kade Mills, Cain Quam, and Dale Clearwater compete in a colt starting competition.
- WCVN Seminars & Demonstrations - Learn more about first aid, dentistry, acupuncture, bandaging, nutrition, and other horse health topics.
- Feature Clinicians - Participants can register for sessions with world renowned trainers Gina Smith, Shawna Sapergia or Sue Leffler. Limited number accepted.
- Trade show featuring equine suppliers, western art, home decor, breed associations, clubs.
- Plus: Equine Extravaganza on Saturday evening featuring Parade of Breeds, Mounted Shooting, Heavy Horse Hitch, and more.
